## Toilet Training Dailygram

Child's Name: \_\_\_\_\_ Date: \_\_\_\_\_ Arrival Time: \_\_\_\_\_

Dear Parents,

We are working hard to potty train your child, and would like to work together with you to ensure that your child's potty training experience is positive and consistent. The teachers need to get an idea of the frequency and intervals that your child is accustomed to, as well as the parents' commitment to potty training, so we can help your child while they are here at school.

Please log all your child's potty times at home, from the time he/she is picked up to the time he/she is brought to school the next day. Please put in potty codes as listed. The top portion needs to be filled out at home, and handed to the teacher daily. *If we do not receive a filled sheet from the parents, we will not be able to fill one out for the day.*
